To Whom It May Concern,

Manny represented us in the sale of a retail shopping center. My family and I were pleased with his level of expertise and range of knowledge in South Florida retail market. We have benefited from the level of service he provides and which he continues to provide. I highly recommend him for his wealth of knowledge, and commitment to assisting his clients in achieving their financial real estate goals.

Sincerely,

A handwritten signature in blue ink that reads "Robert Oransky". The signature is fluid and cursive, with a long horizontal stroke at the end.

Robert Oransky
